Hello to all my 5th and 6th class darlings!

- Here is some work to keep you going while you are away from school. Please don't worry about the amount of books that have been sent home to you. You do not have to get through every book in the one week. Just take it a little bit at a time.
- For those of you who do not do Irish I have included your booklets to do one page per day instead.
- Good Luck and hopefully I will see you all soon.

Ms. Lacey
