Senior Infants, I hope you are being as good as gold for your mammy and daddy teachers. Remember you must listen carefully and always try your very best. I know you can do a great job! I'm sure you've been very busy and I can't wait to hear all your news when we are back in school. But in the meantime, if mammy and daddy have time and you would like to ask them to help you email me then I'd be absolutely delighted to hear from you. Maybe you'd just like to say hello or you could send me some pictures of your artwork, your writing or something you've made. I'd really love that! 😊
