Planet Maths: 5 th Class P.181 Section B 6 th Class P.126 Section B Q 1	MM Wk 35 Thurs Q 1-10. Planet Maths: 5 th Class P.182 Section B 6 th Class P.127 Section D	MM Wk 35 Friday Review

SESE	Geography	Atlas Hunt, This week take a focus on Australia. P52 and 53 examine the physical features. P 54 and 55 look further into the political features of Australia. Try discussing with your family at home what you already know about Australia.
Visual Art	Drawing	Here is a link to a selection of works form Irish Artist who took inspiration from the nature around them. https://www.nationalgallery.ie/explore-and-learn/nature-archives Take some time to explore the nature around you (Within your 5km radius) and try to draw what inspires you. Use a plain pencil first to draw out your piece and then afterwards you can colour using whatever materials you so wish.

6th Class

Thank you all for replying with details on your new schools for September as we as hoodie sizes and signatures. Mrs. Sukprasert and I are trying something different. We have set up a 6th class virtual circle time for you. This is a safe environment for us all to talk and connect together. The link below is for a 'PADLET' which is basically an online noticeboard. On this padlet we have written a message for you all to reply to with a message, photo or even a small thought. You just click on the small pink plus button to type your reply. Any answers will be anonymous but please sign your name at the end of your message so we know who we are talking to. Please give it a go!

<https://padlet.com/room12helpballylinan/t8i1iluvjg9sntgn>

I hope you are all still enjoying the great weather we are having at the moment!

Stay safe everyone,

Ms. Lacey 😊
