Irish	I hope that you were able to access the 'Bua na Cainte' interactive programme at home. If you haven't done so already please see the Gaeilge section							
	of this Staying on Track document for instructions on how to access programme. Again please note the programme requires a PC or Mac device.							
	This week's theme is 'Siopadóireacht'. I'd like children to complete one lesson a day, listen to songs and play interactive games.

	*If you are unable to download programme please do not worry. Unfortunately online Gaeilge resources are far and few between. We do not read or write Gaeilge in Senior Infants therefore any exposure to the spoken language will be of benefit to your child. Please visit <u>TG4 Kids</u> or <u>Cúla 4</u> and allow your child to watch a TV program as Gaeilge.

Creativity Week

Challenging times can spark great creativity. Did you know Shakespeare reportedly wrote 'King Lear' when self-isolating from the plague?

This week we want to celebrate our students' creativity at home. Below you will find a menu of activities to choose from.

Choose at least two activities to complete during the week. Why not get creative with your family and work as a team to complete tasks?

Once tasks are complete email photos to ballylinan1@yahoo.ie and we'll display your talents and masterpieces in our virtual art gallery.

Junk Art

'One man's rubbish is another man's treasure!'
Create a piece of art using at least two items from your household recycling bin.

Playful Puppets

Transform odd socks into puppets. Perform a puppet show for your family.

Fabulous Forts

Get creative, design and build a fort. Inside or outside, pillows, cardboard boxes, blankets, trees, the possibilities are endless! We can't wait to see your fantastic creations.

The Great Ballylinan Bake-Off

Roll up your sleeves and get creative in the kitchen.

Ballylinan's Got Talent

Singers, musicians, songwriters, dancers, gymnasts, magicians, comedians, actors, it's time to let your talents shine. Get practising and then use your talents to perform a show for your family.

Art Attack

Crayons, pencils, twistables, paint, glue, scissors-what will you use to create your masterpiece?

Hats, hats, hats!

Get crafty and design a unique summer hat using bits and bobs from around your house.

Crazy Creatures

Listen to the story The Mixed

Up Chameleon. Create a

creature that's never been seen
before. Don't forget to name it
and give it a superpower.

Nature is a Work of Art

It's time to take your creativity outside. Collect twigs, leaves, flowers, grass and create a work of art. (Remember to ask before taking anything from the garden!)

Don't forget to photograph your masterpieces and email them to ballylinan1@yahoo.ie to be displayed on our school website!
