For the remainder of the month of June there will be a number of themed activity weeks for the children to engage with. Class teachers will continue to assign English, Gaeilge and Maths tasks for boys and girls to complete. In a separate document a menu of fun whole school theme based activities will be available.

Please engage with these activities as much as possible.

**This week's whole school theme is 'Creativity'. Please see below for list of activities and instructions. Enjoy!**

Challenging times can spark great creativity. Did you know Shakespeare reportedly wrote 'King Lear' when self-isolating from the plague?

This week we want to celebrate our students' creativity at home. Below you will find a menu of activities to choose from.

Choose at least two activities to complete during the week. Why not get creative with your family and work as a team to complete tasks?

Once tasks are complete email photos to [ballylinan1@yahoo.ie](mailto:ballylinan1@yahoo.ie) and we'll display your talents and masterpieces in our virtual art gallery.

<p><b>Junk Art</b></p> <p>'One man's rubbish is another man's treasure!'</p> <p>Create a piece of art using at least two items from your household recycling bin.</p>	<p><b>Playful Puppets</b></p> <p>Transform odd socks into puppets. ### Art Attack

Crayons, pencils, twistables, paint, glue, scissors-what will you use to create your masterpiece?

### Hats, hats, hats!

Get crafty and design a unique summer hat using bits and bobs from around your house.

### Crazy Creatures

Listen to the story [The Mixed Up Chameleon](#). Create a creature that's never been seen before. Don't forget to name it and give it a superpower.

### Nature is a Work of Art

It's time to take your creativity outside. Collect twigs, leaves, flowers, grass and create a work of art. (Remember to ask before taking anything from the garden!)

**Don't forget to photograph your masterpieces and email them to [ballylinan1@yahoo.ie](mailto:ballylinan1@yahoo.ie) to be displayed on our school website!**
