Irish	Bun go Barr: This week read P. 72+73 and do part B on p74				
Maths	<u>New Wave Mental Maths</u> Wk 34 Mon + Tues Tables: Learn x12 and ÷12	<u>Planet Maths</u> Topic 24 Weight P. 152: B Tables: Learn x12 and ÷12	<u>Planet Maths</u> Topic 24 Weight P. 153: A +B Remember 1000g=1kg e.g. 10g = 0.01kg P. 153: C (Just convert to grams in your copy) Tables: Learn x12 and ÷12	<u>Planet Maths</u> Topic 24 Weight P. 154: B You will need a kitchen scales for this. If you do not have one, do activity A instead. You can pick items you have at home to weigh if you do not have the listed items handy. Tables: Learn x12 and ÷12	<u>Planet Maths</u> Topic 24 Weight P. 156: C+D Tables: Test yourself x12, ÷12

Creativity Week

Challenging times can spark great creativity. Did you know Shakespeare reportedly wrote 'King Lear' when self-isolating from the plague?

This week we want to celebrate our students' creativity at home. Below you will find a menu of activities to choose from.

Choose at least two activities to complete during the week. Why not get creative with your family and work as a team to complete tasks?

Once tasks are complete email photos to ballylinan1@yahoo.ie and we'll display your talents and masterpieces in our virtual art gallery.

Junk Art

'One man's rubbish is another man's treasure!'

Create a piece of art using at least two items from your household recycling bin.

Playful Puppets

Transform odd socks into puppets. Perform a puppet show for your family.

Fabulous Forts

Get creative, design and build a fort. Inside or outside, pillows, cardboard boxes, blankets, trees, the possibilities are endless! We can't wait to see your fantastic creations.

The Great Ballylinan Bake-Off

Roll up your sleeves and get creative in the kitchen.

Ballylinan's Got Talent

Singers, musicians, song-writers, dancers, gymnasts, magicians, comedians, actors, it's time to let your talents shine. Get practising and then use your talents to perform a show for your family.

Art Attack

Crayons, pencils, twistables, paint, glue, scissors-what will you use to create your masterpiece?

Crazy Creatures

Listen to the story [The Mixed Up Chameleon](#). Create a creature that's never been seen before. Don't forget to name it and give it a superpower.

Nature is a Work of Art

It's time to take your creativity outside. Collect twigs, leaves, flowers, grass and create a work of art. (Remember to ask before taking anything from the garden!)

Hats, hats, hats!

Get crafty and design a unique summer hat using bits and bobs from around your house.

Don't forget to photograph your masterpieces and email them to ballylinan1@yahoo.ie to be displayed on our school website!
