\*\*You don't have to answer the R@H questions but I want you to think about one of your **favourite memories** from Ballylinan N.S. and write/type it. Share it with me at [room12help.ballylinan@gmail.com](mailto:room12help.ballylinan@gmail.com) . I would love to make a booklet of your memories for you all to have but this will only work if you send them to me. Spread the word!

\*\*\*\*You don't need to complete the whole page if it is too much for you but I would recommend some from each section to have a grasp on the different rules.

Thanks to those of you that added to our Padlet from last week or just popped in and said 'hello'! We will continue to monitor it for another week if there are any lockdown stories you would like to share with your friends, do so now! <https://padlet.com/room12helpballylinan/t8i1iluvjg9sntgn>

## Creativity Week

Challenging times can spark great creativity. Did you know Shakespeare reportedly wrote 'King Lear' when self-isolating from the plague?

This week we want to celebrate our students' creativity at home. Below you will find a menu of activities to choose from.

Choose at least two activities to complete during the week. Why not get creative with your family and work as a team to complete tasks?

Once tasks are complete email photos to [ballylinan1@yahoo.ie](mailto:ballylinan1@yahoo.ie) and we'll display your talents and masterpieces in our virtual art gallery.

### Junk Art

'One man's rubbish is another man's treasure!'

Create a piece of art using at least two items from your household recycling bin.

### Playful Puppets

Transform odd socks into puppets. Perform a puppet show for your family.

### Fabulous Forts

Get creative, design and build a fort. Inside or outside, pillows, cardboard boxes, blankets, trees, the possibilities are endless! We can't wait to see your fantastic creations.

### The Great Ballylinan Bake-Off

Roll up your sleeves and get creative in the kitchen.

### Ballylinan's Got Talent

Singers, musicians, song-writers, dancers, gymnasts, magicians, comedians, actors, it's time to let your talents shine. Get practising and then use your talents to perform a show for your family.

### Art Attack

Crayons, pencils, twistables, paint, glue, scissors-what will you use to create your masterpiece?

### Hats, hats, hats!

Get crafty and design a unique summer hat using bits and bobs from around your house.

### Crazy Creatures

Listen to the story [The Mixed Up Chameleon](#). Create a creature that's never been seen before. Don't forget to name it and give it a superpower.

### Nature is a Work of Art

It's time to take your creativity outside. Collect twigs, leaves, flowers, grass and create a work of art. (Remember to ask before taking anything from the garden!)

**Don't forget to photograph your masterpieces and email them to [ballylinan1@yahoo.ie](mailto:ballylinan1@yahoo.ie) to be displayed on our school website!**
